Risk Management Services

Reduce your business risk with our IOSH course

The **IOSH Managing Safely** course is a nationally accredited health and safety training course.

Lycetts is delighted to invite you to one of our lively and interactive training courses. Our instructors are qualified and experienced health and safety practitioners with extensive “real world” experience.

What: Nationally Accredited IOSH Managing Safely

When: 11-13 September 2018

Where: Newcastle upon Tyne

Who: Managers and Supervisors from all industry sectors

Cost: £450.00 + VAT per delegate (10% discount for 3+ delegates)

By the end of the course, delegates will have a thorough understanding of:

- Their health and safety legal responsibilities.
- Hazard identification and risk control techniques associated with common workplace hazards including fire, electricity, manual handling, working at height, stress, noise and vibration, chemical safety, workplace transport etc.
- How to manage health and safety in their workplace.
- Accident/incident investigation techniques.
- To be awarded the IOSH Certificate, delegates are required to pass a 45 minute examination and complete a practical assessment in the workplace.
